

UTSA Graduate Certificate in Historic Preservation
Permission to Enter and Complete the Certificate

Student Name: _____

Student email: _____

Banner ID: @_____

I intend to pursue the Graduate Certificate in Historic Preservation Certificate. (Check one)

____ I have been admitted as a special graduate student.

____ I am currently enrolled in a UTSA graduate degree program.

Degree program _____. Expected graduation date _____.

Students currently enrolled in a graduate degree program already meet the requirements for admission. No additional application process is necessary.

Students not currently enrolled must apply to UTSA as a special graduate student and indicate intent to enter this certificate program. Provide proof of admission with this form. Additional notes: Admittance into or completion of a certificate program is not considered to be qualification for entry into a graduate degree program. Special graduate students will not be eligible for financial aid.

Prerequisite Background Courses:

The Certificate Program Coordinator may determine that a student requires prerequisite background courses. This will be noted in the student's file and the student will be notified that the prerequisite courses must be taken before enrolling in certificate program coursework.

Approvals:

Certificate Program Coordinator

Signature: _____

Date: _____

Name: _____

Prerequisite Background Courses: None Required: _____

Required Course(s): _____

Dean of the College of Architecture

Signature: _____

Date: _____

Name: _____

NOTE: This form is for record-keeping only and does not constitute an agreement. The student must fulfill all the certificate requirements according to the official UTSA graduate program requirements. The student is also responsible for checking in with graduate program directors and advisors to be sure that he/she continues to be eligible for the certificate. Students who, at any time, decide not to pursue the certificate, should inform the Certificate Program Coordinator.
